Richmond & Twickenham

LOCAL MANIFESTO

VOTE 7TH MAY 2026

We face a cost of living crisis made worse by increasing inequality and lack of action on the climate and nature emergencies at local, national and global levels.

That's why we're campaigning to...

Improve local housing for everyone

Build new stock for social rent with direct investment

Streamline planning to help unlock and retrofit vacant properties

Create a borough-wide service for every home to finance more insulation and renewable energy

Support zero-carbon construction for all new domestic renovations and extensions

Defend frontline services via early prevention

Keep the Freedom Pass and fund free travel to under-22s

Invest in youth centres and mental health support for children and young people

Offer tax reliefs, stronger advice networks and a fairer safety net for low-income households

Adopt a prevention-first approach to reduce demand for costly acute care

Lead the way on river and natural habitat health

Ban the Council's continued use of bee-killing pesticides

Support the public ownership of water companies and stop the planned sewage pump

Reduce air and noise pollution everywhere, especially by opposing Heathrow expansion

Restore our river, wetlands, parks, biodiversity corridors and other spaces for nature

Put participation at the heart of all decision-making

Set up citizens' assemblies to influence policy at every level

Turn empty or underused buildings into community assets for creative connection

Enable everyone – not just a privileged few – to benefit from a sustainable digital economy

Evaluate the Council's use of resources including its staff-sharing agreement with Wandsworth

Redesign public space for people, not more traffic

Fix our roads and pavements to improve access for everyone

Add better lighting, public toilets and facilities for disabled people and families

Increase protected bike lanes, safer junctions, crossings and child-friendly neighbourhoods

Encourage smaller, cleaner modes of transport and end the dominance of larger vehicles
